Section 2: Coverage Terms

2.1 Death Benefit

In the event of the death of the Life Assured during the Policy Term, provided the policy is in force, the Company shall pay the higher of the Sum Assured or 10 times the Annualized Premium, plus accrued bonuses, to the Nominee.

2.2 Maturity Benefit

If the Life Assured survives to the Maturity Date and all due premiums during the Premium Paying Term have been paid, the Company shall pay the Guaranteed Maturity Benefit of INR 13,20,000 plus accrued reversionary bonuses, currently projected at INR 15,50,000 assuming a 4% per annum bonus rate.

2.3 Accidental Death Benefit Rider (Optional)

If opted for at inception, an additional Sum Assured of INR 5,00,000 is payable if death occurs directly and solely due to an accident, subject to the accident occurring within 180 days of the injury and the rider being in force. This rider automatically renews each policy year for the duration of the Premium Paying Term unless the Policyholder opts out in writing at least 30 days before the renewal date.

2.4 Waiting Periods and Sub-Limits

There is no waiting period for the base Death Benefit other than the Suicide Exclusion described in Section 3. The Accidental Death Benefit Rider is subject to a sub-limit equal to 50% of the base Sum Assured and excludes death occurring during participation in any hazardous activity listed in Section 3.

Section 3: Exclusions

No Death Benefit shall be payable, and only the total premiums paid (without interest) shall be refunded, if death occurs due to any of the following:

(a) Suicide, whether sane or insane, within 12 months from the Policy Start Date or from the date of any Revival, whichever is later.

(b) Death arising from participation in hazardous activities including but not limited to skydiving, scuba diving below 30 meters, motor racing, or mountaineering above 4,500 meters, unless specifically declared and accepted by the

Company at inception.

6.3 Free-Look Cancellation

The Policyholder may return this policy within the Free-Look Period of 15 days from receipt, stating reasons, for a refund of premium paid, less proportionate risk premium for the period of cover, stamp duty, and any medical examination costs incurred by the Company.

Claims must be intimated to the Company within 90 days of the date of death.

6.5 Liability Shift

It is the sole responsibility of the Policyholder to ensure timely payment of premiums and to notify the Company of any change of address or nominee details.
