- Any loss or damage while the vehicle is driven under the influence of alcohol or drugs.

- Electrical or mechanical breakdown of the engine, gearbox, or any consumable item unless the relevant add-on cover is purchased and in force at the time of loss.

5. Add-On Covers — Sub-Limits & Waiting Periods

Zero Depreciation Add-on	Maximum 2 claims permitted per policy year. Not applicable if the vehicle is more than 5 years old. 15-day waiting period applies if this add-on is purchased or reinstated mid-term rather than at inception.
Engine & Gearbox Protect	Covers hydrostatic lock and consequential engine damage due to water ingestion only if the vehicle was NOT started/re-started after entering waterlogged areas. Claims where the owner attempted to restart the engine after water ingestion are void under this add-on.
Consumables Cover	Capped at ₹2,000 per claim regardless of actual consumable replacement cost (engine oil, nuts, bolts, grease, clip, washer).

Roadside Assistance	Limited to 2 service call-outs per policy year; each call-out beyond a 25 km radius of the registered address attracts additional charges borne by the policyholder.
Key Replacement (bundled within Consumables)	Capped at ₹1,500 per policy year; lost keys must be reported to police within 48 hours or the claim is void.

6. Claim Conditions & Settlement Basis

- All claims are settled on a depreciation basis as per the Indian Motor Tariff schedule unless Zero Depreciation add-on is active and applicable to the specific part.
- Depreciation scale for own-damage claims: 0–6 months: Nil; 6 months–1 yr: 5%; 1–2 yrs: 10%; 2–3 yrs: 15%; 3–4 yrs: 25%; 4–5 yrs: 35%; 5–10 yrs: 40%; over 10 yrs: 50%. Rubber, nylon, plastic parts, tyres, tubes and batteries are depreciated at 50% regardless of vehicle age.
- The policyholder must intimate the Company within 48 hours of any loss event. Claims intimated after 7 days from the date of loss may be repudiated at the Company's discretion.
- The vehicle must not be repaired or disposed of before a survey by the Company's authorized surveyor, except in the case of an emergency where reasonable steps are necessary to prevent further loss.
- No Claim Bonus is forfeited entirely upon intimation of any own-damage claim in the current policy year, irrespective of whether the claim is subsequently withdrawn.

7. Fine Print — Renewal, Cancellation & Free-Look Terms

Clause 14.1 — Free-Look Period

The Policyholder may review the terms of this Policy within 15 days from the date of receipt of the policy document ('the Free-Look Period'). If the Policyholder disagrees with any of the terms and conditions, they have the option to cancel the Policy stating the reasons for cancellation, subject to a deduction of the proportionate risk premium for the period of cover, and stamp duty charges actually incurred. Requests received after the 15-day window will not be treated as a free-look cancellation and will instead be processed under Clause 14.4 (Mid-Term Cancellation).

Clause 14.2 — Automatic Renewal

Unless the Company receives written notice of cancellation from the Policyholder at least 15 days prior to the Policy expiry date stated in Section 1, this Policy shall be deemed to be renewed automatically for a further period of twelve (12) months at the premium rate applicable at the time of renewal, which may be higher than the premium stated in Section 2 above, and the renewal premium shall be charged to the payment instrument or bank mandate last used by the Policyholder without further confirmation being sought.

Clause 14.3 — Grace Period on Renewal

Where the Policyholder does not pay the renewal premium on or before the expiry date, a grace period of 15 days from the expiry date is available during which the Policy may be renewed without a fresh pre-inspection of the vehicle, provided no claim has arisen during the grace period. Continuity of No Claim Bonus is preserved only if renewal is completed within this 15-day grace period; renewal after the grace period will be treated as a fresh policy with NCB reset to 0% and mandatory pre-inspection of the vehicle at the Policyholder's cost.

Clause 14.4 — Mid-Term Cancellation Penalty

Should the Policyholder wish to cancel this Policy at any time after the Free-Look Period and before expiry, the Company will refund premium on the Own Damage section only, calculated on a short-period scale rather than a pro-rata basis: up to 1 month — 25% retained by Company; 1–3 months — 40% retained; 3–6 months — 60% retained; 6–9 months — 80% retained; beyond 9 months — no refund. The Third Party Liability premium is non-refundable under any circumstances once the Policy has commenced, in accordance with IRDAI tariff regulations.

Clause 14.5 — Liability Shift on Unauthorized Vehicle Use

In the event the insured vehicle is, at the time of loss, being driven by a person other than the Policyholder or a person named in Section 1 without the Policyholder's express prior written consent on record with the Company, any liability arising to third parties shall, to the extent permitted by law, be recoverable by the Company from the Policyholder personally, and the Company's obligation shall be limited to the minimum statutory liability under the Motor Vehicles Act, notwithstanding the Third Party Liability premium collected under Section 2.

Clause 14.6 — Non-Disclosure and Claim Rejection

Any claim shall be void and all benefits forfeited if there has been any misdescription, non-disclosure, or misrepresentation of a material fact, including but not limited to undeclared modifications, undisclosed commercial use, undisclosed prior accident history, or failure to inform the Company of a change in the vehicle's registered use, whether such non-disclosure was innocent or otherwise.
